COWAN of Sarasota, Florida, they being all of the owners of lots in Unit #4, Gulf Gate Subdivision, Sarasota County, Florida, do hereby declare and establish the following as restrictions upon those said tracts of land hereinafter described.

PART B: AREA OF APPLICATION

B-1 The covenants and restrictions, in their entirety, shall apply to the following described property, situate, lying and being in Sarasota County, Florida, more particularly described to wit:

GULF GATE, UNIT #4, as per plat thereof which appears of record in Plat Book 13, Page 17, of the Public Records of Sarasota County, Florida.

PART C: RESIDENTIAL AREA COVENANTS

C-1 BUILDING REQUIREMENTS: Except as hereinafter provided, no lot or parcel shall be used except for residential purposes. No building shall be erected, altered, placed or permitted to remain on any residence lot other than one detached single family dwelling not to exceed two stories in height and a private garage or carport for not more than three cars, which garage or carport shall be attached and made part of the dwelling house.

C-2 SIZE OF BUILDING: The buildings to be erected, or maintained, shall be constructed of new and durable materials.

All buildings are to be similar in design and in keeping with those of the surrounding development.

The main residence building to be erected on any lots shall have an area of not less than 1,000 square feet, computed as follows: 900 square feet of enclosed living area, with 50% credit given for other floored areas under roof.

C-3 SET-BACK LINES, ETC.: No structure of any kind, including but not limited to dwellings, garages, swimming pools and screened cages, shall be erected nearer than 25 feet to any street right of way line, nor nearer than 8 feet from any side lot line, nor nearer than 15 feet from the rear lot line of any lot.

No dwelling shall be erected further than 40 feet from the front lot line. Eaves on dwellings may overhang front, side and rear set-back lines to the extent of 3 feet.

The front of all dwellings must face the street except that owners of corner lots at the intersection of two or more streets may elect to build a dwelling fronting on either street, or diagonally to the intersection.

C-4 GARAGES: No garage shall be erected on any lot prior to the construction of a dwelling. If a garage is built either simultaneously with or subsequent to the construction of the dwelling, the same shall be of the same kind of materials as the construction of the dwelling and shall be substantial and shall conform architecturally with the dwelling, and shall be attached to the dwelling.

C-5 BUILDING PLANS – APPROVAL: No building shall be erected, placed or altered on any lot until the drawings and specifications for all buildings, alterations and changes and plan showing the location of the structure and other developments for the premises herein described, shall be submitted for the approval of the Developer, its successors or assigns. One copy of the drawing and specifications of each improvement or alteration shall be filed as a permanent record with the Developer, its successors or assigns. At the time such drawings and specifications are approved by the Developer, a building permit shall be issued without cost, and written evidence that such permit was issued must be posted in a conspicuous manner on such forms as the Developer, its successors or assigns, may provide on the property wherein the building, alteration, change or other development is being made. Any such building so commenced under such permit shall be substantially completed and ready for occupancy within a reasonable length of time, and in any event, within one year.

C-6 LAWNS AND LANDSCAPING: All lawns in front of each residence lot shall extend to the pavement line. No gravel or blacktop or paved parking strips are to be allowed except as approved on the plot plan approved by the Developer.

5 feet where such wall, hedge, fence or other enclosure is located along the back lot line of such lot.

C-8 OTHER STRUCTURES: No structure of a temporary character, trailer, house trailer, or tent, shack, garage, barn, barracks type structure, or other outbuilding shall be erected, maintained or used on any lot at any time, either temporarily or permanently, except that necessary construction sheds may be temporarily maintained during construction of a dwelling but shall be promptly removed upon completion of such dwelling and not later than six months after original commencement of the construction of such dwelling.

C-9 NO RE-SUBDIVISION: No lot or group of lots herein described shall be re-subdivided, except, however, an owner of more than one adjoining lots may sell part of one lot to the owner of the adjoining lot, but by so doing the remaining part of the lot will then become part of said owner's next adjoining lot and the balance will have to be sold as one tract.

In the event that the owner of any lot or lots shall fail or refuse to keep the premises free of weeds, underbrush or refuse piles, then the Developer, its successors or assigns, may enter upon said lot or lots and remove such refuse or mow or cut such weeds or underbrush and charge the owner for such services and such entry on the part of the Developer, its successors or assigns, shall not be deemed a trespass.

C-14 UNLAWFUL USE OF PROPERTY: No unlawful, improper or immoral use shall be made of any of the premises herein described or referred to, and said premises shall at all times be kept mowed and clear of debris and vegetation that may be either a health or fire hazard to the neighborhood.
